All work which requires a building permit will also require a new certificate of occupancy to be issued.

All building permits must have the required inspections performed and approved before occupancy can be issued.

Required inspections include:

- Footing inspection - prior to concrete and after reinforcement has been placed;
- Electrical/Mechanical/Plumbing - rough in - prior to framing; Allegheny County performs plumbing
- Framing/Foundation inspection - prior to covering
- Final/Occupancy inspection

Please call 48 hours ahead to schedule all required inspections: (412) 414-4259
